Subject: *Invitation for Recognition of Police Efforts in Stolen Mobile Recovery – reg*

Respected Sir/Madam,

We extend our sincere appreciation to the police department for its continued dedication and commitment to public safety. Your department's consistent efforts in tracing and recovering stolen mobile devices have made a significant impact in restoring citizens' trust and deterring criminal activity.

To recognize the performance of District Police Authorities in the recovery of mobile handsets traced on CEIR, a ranking framework has been prepared by DoT. Based on that CEIR ranking framework, Satara police district is identified as best performing District in Maharashtra State (except Mumbai region). As a gesture of our gratitude and to formally acknowledge these commendable efforts, we are pleased to invite you to our **Annual Zonal Security Conference (West Zone)**, scheduled to be held on **03-09-2025 at Holiday inn Resort Goa, Mobor beach, Cavellossim, South Goa.**

During the event, we will be felicitating key personnel from police departments in West Zone who have played a pivotal role in mobile recovery operations. This recognition is a small token of appreciation for the relentless service and vigilance demonstrated by your officers.

In this regard, it is kindly requested to nominate one senior officer in Satara Police district as representative for recognition in the said conference.

Kindly confirm the nominated officer before 27-08-2025. For any further details, please feel free to contact undersigned.

Warm regards,

Dinesh Gotipamul, I.T.S.
Asst Director General(Security),
